PUT UP A FIGHT.

PUT UP A FIGHT.

That the Pacific Coast league delegation will go east to the annual meeting of innor leagues in New York on Oct. Is determined to fight to the last gasp the plan of the American association and the eastern league for a special AA chassingation that will give them the right to draft players from the Pacific Coast league, the Southern league, and the Western league, was information given out by Judge W. W. McCredle. Judge McCredle says J. Carl Ewing, Danuy Long, Henry Berry and himsesif will go. The Pacific Coast league has been content to send one representative east here tofore, but the danger is so imminent that the whole executive force of the organization will go back.

When the coast league turned from outlaw to organized ball it was on the solemn promise of those within the fold that it should be received as class A. which means that the majors are the only ones who can draft from it, and that the two leagues together can take only one player from each club by draft. The coast now wants to resist the subterfuge by which George Tebeau. J. D. O'Brien and Pat Fewers want to get around that agreement by creating a new class and leaving the coast as agreed.

To have a class A league is supposed to have 1,000,000 people on its circuit. It is readily admitted that the Western league has not half that many, and there is a legitimate kick against it ranking with the others. Its circuit and approximate population are as follows; Omaha, 10,600; Denver, 160,000; Pueblo, 30,000; Lincoin, 30,000; Sioux City, 35,000; Des Moines, 70,000. The Pacific Coast league is making no kick on the Western league but it sees there is a chance there for the American association to complain.

The coast, with only its present four reams, has over 1,000,000 people. Portland has 200,000; San Francisco, 600,000; Ookland, 200,000, and Los Angeles 300,000. That leaves 100,000 to become class A is all right. That is an average of 125,000 people each the fans are entitled to class A ball. Under such an interpretation the coast

A hall twice over.

Judge McCredie will propose at the meeting that the class A leagues of the country send their pennant-winners to California for a six week's series with the first and second teams of this league at the class of next year's schedule to prove this league is as fast as claimed.

JOHNSON AND FLYNN.

JOHNSON AND FLYNN.

There is considerable interest being taken by the Butte fans in the coming contest between Jack Johnson and Jim Flynn, which will be held at Coffroth's Ocean View arena on the afternoon of Oct. 26. These two men have been after Burns for matches lately and have agreed to fight it out between themselves. Johnson will have a big sawantge over Flyan but the latter is a strong willing boxer who can take an awful beating hefore being counted out. On Oct. 2 of last year Burns knocked Flynn out in 15 rounds, but Flynn has always claimed it was a fluke and asked for a return match which has been refused him.

BAD FOR BOOKIES.

Lexington, Oct. 16.—The state racing commission, in session here today, upheld the ruling of Judge Hopper at Latonia in refusing to allow Whisk Broom to be raced, taking the position that Bookmaker Fred Cook had not leased the horse in good faith, but that he had only been transferred for the purpose of allowing Cook to get around the rule applying to bookmakers. The ruling places a ban on bookmakers actively engaged in betting rings from racing horses in Kentucky.

PREMIER GOLF HONORS.

Chicago. Oct. 19.—Premier golf honors for 1907 will go to New England as the result of the third round of match play today in the women's national championship series at the Midlothian club.

1 removal of Miss Sallie Ainsile of Westward Ho, the only western golfer to H. Bariow of the Merion Cricket club, last of the Pennsylvania representatives, leaves young women from Massachusetts links to contest in tomorrow's seminals.

TROUBLE FOR JOHNSON.

Washington, Oct. 10.—Arthur Johnson, a well known colored pugliist, who recently defeated Bob Fitzsinmons, was today arrested just as he was about to board a train for San Francisco, on the charge of obtaining money by falses pretenses. The complainant was Thornton Williams of this city, who declared that Johnson passed a worthless check on him two years ago. Johnson, when arraigned, declared that he did not know the check was worthless. The case went over until tomorrow.

He won the 2-year-old Kentucky futurity here today in 2:124, which is the fastest mile ever trotted in a race by a 2-year-old, but it required the greatest struggle ever witnessed on the first heat and a short head in the second heat gained the most stirring victory of light harness horse history, Dorothy Axworthy, so lame that she could hardly hobble along, is the heroine of the race, for she forced Tramp Fast to break the world's record to beat her. Thisledowns is not disgraced, for the nose that separated him ad Tramp Fast in the finish of the second heat proves that except for his conqueror, he is the greatest colt in the world.

The Leading Lady, favorite, was not in condition for the race and broke badly in both heats.
